

Echelon :

a known hero who helped to stop the Persian in battle in Greece . Echeli (= wheel handle) is a hero who held on to fight the Persians and for him that's why he is referred to as a farmer . After the battle of Marathon the Athenians ask if I remember it of Delphi to know who we are it was he who fought with us them and the answer I received is that they should honor him Hero Echelon . The Athenians out of gratitude to him define his official worship as hero a. After the battle he is unknown soldier he disappeared with him same way he had appears and no one does he knew the smallest information about him .

Echeli (weapon): like a counter of today 's weapon , anti of known weapons of the season . With that the weapon exterminated their enemies from a relative distance .

HEKTLI:(the), the handle (the hand , the grasping) of any time tool , (mainly d) of the letter . Ex and " Echelaios " , from here hold on in the hand of something like a letri or dre pani .

Specifically , the historian Pausanias states :

" They say on equal as they happened to be present at battle a man with old age appearance and clothes . Let 's kill many of them foreigners with her hetli , disappeared post the battle . Like asking if the Athenians the oracle , the god simply their gave her command to honor him Echelaios as hero a. Erect though a monument indeed me white marble . Although the Athenians confirm how they buried them Persians , why ? in every occasion the uncle aw orders as the dead body should be under the and , however grave I didn't find it . It did n't exist drum or other step by step water , and thos the dead op as 'be petachtik if se some handiwork »

Equal to him Herodotus we learn that :

"What ? her lasts a her conflict something very strange happened , an Athenian soldier , Epizilos , son of A handsome woman , while he was fighting generous breast with chest forever have a to her vision of and f a two of eye a, pa role pu not him he had a crush what 's up , neither spear neither sword nor b marsh bow . Let Herodotus continue to report that Epizilos he tells that saw a large - bodied soldier whose beard kalypte whole his shield , and all that the ghost held in his hand a very bright weapon ! After you exactly next to him , Persians are killing opponents and this scene if the last point Epizilos saw why from some a hyperbol shine , he was blinded !"

Echelon :

there were any God 's immortality that would see him send if the God help me their Athens viruses . (lots of them gods) knew you would lose the Athens and for him . The reason him send if he can help them .

Try to get him to attack as well against the Persians .Cap oii God bless me their Athens and others with the Persians .-- > otherwise the Persians I did n't what are you drinking ? gods pir if it part of Athens ?

Here 's the weapon it an san magur a / bastuni the op oio the useful to exterminate their enemies of . (pointed pole)

Handle for the letter A : The plow it is the most important tool that 's why [plowing](#) . It executes similar jobs the [shovel](#) , ie cut off the continue a of his pride ground and exposes new surfaces in effect of the atmosphere . Her at the same time it turns over the soil we are cutting grass , uprooting [plants](#) and other useless materials . The big consumption let 's act on it plowing required the adjustment one contemporary plow on a [tractor](#) .
